WORK EXPERIENCE

Mphasis Ltd • Bengaluru , IN • Full-time • 10/2021 – Present

Software Engineer Associate

- Led the successful migration of a database from Solr to Oracle, adeptly transitioned from NoSQL to SQL, implemented necessary codebase changes, prioritized data integrity throughout the migration process, and reduced downtime by 20% during critical version updates.
- Reduced data processing time by 40%, increased operational efficiency by 50%, and automated 10M file movement per day with Apache NiFi workflows.
- Revamped Apache NiFi's Grafana dashboard, achieving real-time performance for 10M daily volume, improving efficiency by 20%
- Streamlined monitoring and optimization process by making metric data accessible via HTTP endpoints, saving 90% of time and resources for software development.

Web Developer Intern (Elite Softwares)

- Collaborated with Hotel Management clients to understand requirements and developed a web application tailored for the hotel industry.
- Enhanced the clients' online presence by developing and optimizing their website.

PROJECTS

SNKR HUB

SNKR hub (snkrs-hub.netlify.app)

- Developed Snkr Hub, a dynamic web application, using **React.js** for a modular and interactive UI, **Node.js**. Integrated **Redux** for implementing essential features such as adding to the cart, removing from the cart, and adjusting quantity to enhance the overall user experience.

E-Commerce Platform

Amazon (amazon-shop-app.netlify.app)

- Developed a learning-centric e-commerce platform using Google Firebase, featuring **user authentication**, a shopping cart, and a dynamic **React**-based user interface. This project served as a valuable learning experience, providing insights into **authentication** mechanisms, Firebase integration, **state** management with React and e-commerce functionalities like cart management.

SKILLS

Apache Nifi, Java, Spring Boot, ReactJS, JavaScript, Tailwind CSS, NextJS, AngularJS, Docker, Jenkins, Git, Amazon Web Services, MySQL, MongoDB, Oracle Database

EDUCATION

Bachelor of Engineering in Information Technology

Sinhgad Institute of Technology & Science • Pune , India • GPA: 7.31 • 06/2017 – 07/2021
